Noviotech Soccer Tournament 2023 – INFO

It's going to happen again, Friday afternoon, June 23, 2023 the "Noviotech Soccer Tournament" will take place on Quick's fields! There is a maximum of 20 teams, so don't wait too long to pre-register.

Some practical matters

- Would you like to practice on the Quick fields beforehand? You can do so for 25,- (± 1 hour).
- Pictures will be taken, so if someone does not want to be on it, please let us know beforehand.
- Teams play 7 against 7 and matches last on average 18 to 20 minutes.
- An exact budget will follow, but team participation of 8p will probably cost around € 475,- incl. all organization, rent, BBQ and drinks. The more teams participate, the lower the team costs.
- All team members extra and 'loose' BBQ guests pay around € 35,- p.p. (incl. 3 drink tokens).
- Team contacts will have a one-time joint meeting in advance with an explanation of the afternoon, game rules and game schedule on Tuesday, May 30 at 13:30 building M, room 0.32.
- Participation is at your own risk.
- No alcohol during games (or if you are going to work that same day).
- We are still looking for some helping hands for setting up the fields etc.
- We will play again in two levels (Recreational and Performance), maximum 10 teams in both levels. Organization can therefore decide that a team will not be assigned to their indicated level, we do this in principle in consultation.

 - Assure maximum effort not to injure someone or get injured yourself.

- Please be in time at the right pitch so we can start every game in time.
- Games will be announced via the broadcasting system as well.
- During the tournament, game results will be updated frequently.
- You can see the intermediate positions at the game secretary table.

Noviotech Soccer Tournament 2023 - Levels

- This year again 15-20 teams will compete to win the Noviotech Soccer Cup.
- We will split the tournament in two skill levels.
Performance (P) and Recreational (R)
- The Performance teams will play \pm 4-6 games. The number one in that group is this years overall winner of the Noviotech Soccer Cup.
- The Recreational teams play \pm 4 games in the group fase.
Both winners of the Recreational groups will play a final against each other.
The winner of this final is the recreational winning team.

Food and drinks I

- For everyone there is fruit and a bottle of water which can be refilled.
- Vouchers for softdrinks will be handed over at the start of the tournament.
- Every team member will get 3 vouchers for softdrinks during the tournament and 3 for softdrinks or alcohol during the BBQ.
- Vouchers will be distributed through the team leaders.
- To have a fun tournament, a few guidelines will apply:
 - No alcohol will be served till 17.00.
 - No alcohol will be served to teams still in play.
 - No alcohol will be served to people under 18.
- If you are over 18 but under 25 years old, identification at the bar is mandatory. Please bring your ID card, driving license or passport every time you visit the bar for alcoholic drinks.

Food and drinks II

- If you have any drinking vouchers left, please return them to your team leader (not to the bar).
- They can return it to the tournament leaders or redistribute it to other people.
- The BBQ will start right after the award ceremony at 18:00.
 - Serving a BBQ for over 275 people at the same time isn't an easy job.
 - There will be enough available for everyone, so please be patient.
 - A maximum of 4 pieces of meat will be served per person.

Tournament Rules I

- Our first goal is to have an enjoyable and sportive tournament.
- Teams consist of six field players and one goalkeeper.
- Matches will be played on half of a regular pitch. All matches will be played at natural grass.
- A match takes 18 minutes. In case of severe wind, we will switch sides after 9 minutes.
- Each match time is really limited to 18 minutes.
- There is no extra overtime due to stoppage or injury time.
- At the moment the time is over, the game stops directly.
- Players have two minutes to leave the pitch so the next teams can enter the pitch.
- In case of the same-coloured shirts and confusion may occur, the team first mentioned in the game schedule will have to wear jerseys.
- Normal KNVB (Dutch FA) rules apply, for seven vs. seven matches.
- There are no offside rules.
- If the ball is out on the side, it needs to be thrown in.
- Normal corner and goal kick rules apply.
- It is not allowed to use slidings to obtain the ball in a duel.

Tournament Rules II

- The referee is allowed to give a time-out (3 minutes) or send a player off for the rest of the match, in case of very inappropriate behaviour (verbally and/or physically).
- In both cases, timeout or sent off, another player is allowed to replace him/her.
- We strongly recommend to wear shoes with spikes underneath.
- Shin protection is mandatory, without shin protection players are not allowed to play.
- If the recreational final ties, penalties will be taken according to KNVB rules.
- Penalties can only be taken by players who were active on the pitch at the game end.
- To obtain the final ranking in each group the following will be applied from 1-4;
 1. The basic ranking will be based on the number of game points,
 2. In case the game points tie, the team with the highest delta between Goals scored (GS) and Goals received (GR) will rank higher.
 3. In case delta is the same, the team with the highest GS will then rank higher.
 4. When also the GS is the same, penalties are needed to finalize the ranking.

First Aid

- There will be first aid available.
These are BHV trained people, everyone agrees to receive their assistance in case of an injury. No legal actions can be taken towards the first aid people.
- In case needed, contact the tournament leaders.
They will dispatch help as soon as possible.
- In case of emergency, do not hesitate and call 112.
Hereafter inform the tournament leaders.
- We also recommend the team captains to have a list available with contact numbers of relatives for each team member. This to call a relative in case of an emergency.
This list must be destroyed after the tournament.

Locker rooms

- There will be eight locker rooms available.
- One locker room is for ladies only.
- The other seven are for the male players.
- The locker rooms will not be locked during the tournament, leaving anything behind is at own risk.
- Our advice is to have a bag with valuables per team which is kept with the team throughout the whole afternoon.

Photography

Photos will be taken by Martien Schouten.

Please make sure you and your team get a team picture as well!

When people don't want to be on pictures, please inform Martien Schouten.

Referees

We have independent referees, authorized by the KNVB.

Please respect their decisions, they do this for their fun as well.

The referees will pass on the result of the matches to the game secretary.

Repeated unappropriated behaviour can lead to exclusion of the tournament.

Tournament leaders

The tournament leaders are the first contact point in advance off and during the tournament. They also act as game secretaries.
